

Another season come & gone sadly. What a crazy winter, Snow, Rain, Freezing Temps, then 50 degrees. April snowstorms dumping a foot of snow in some spots!!

I would personally like to thank all Volunteers, Clubs, Supporting businesses, for all that you do for our great sport. Not only the weather was crazy but covid 19 has had a huge impact on our great state.. Thanks to "First Responders, Nurses & Doctors, Firefighters EMT's, Police, for all you have given to keep people safe.

The riding part of our season is over, but, I'm not sure it ever ends. My Regional Directors Rod Berry, Eric Perreault are already discussing regional meetings, MSA Directors meeting. We even discussed **(If the Snow Gods & Goddesses will bless us with enough SNOW")** a Showcase ride for next year? Thank you Rod & Eric for all you do. To all enjoy your summer and fall, enjoy your family's and time together. And always THINK SNOW!!! 😊
