

Greetings All,

As we wrap up the 2019/2020 Snowmobile Season, we have much to celebrate amongst the challenges. While the season was cut a little short, we still have a lot to be thankful for; dedicated snowmobilers, active clubs and above all supportive landowners which allow for snowmobiling in Maine to be the best in New England. I would like to take this opportunity to thank my Regional Directors who supported me this season by visiting clubs, assisting in handling landowner issues and challenges with clubs in the Western region; Gary Okenquist, Paul Gallant, Peter Ford and Jon Wakefield.

One final note it is with deep regret that I share I will not be returning next year as the Western VP. It has been an honor and a privilege to represent the Western Region. I have had an opportunity to form friendships and witness dedicated volunteers supporting their clubs and having fun with not only other snowmobilers but their communities. Some events that have recently happened in my life has brought me to this difficult decision. I would like to thank John Monk for giving me this opportunity three years ago, the support from my fellow VP's Eileen, Dave, Jack and Matt and the leadership from Mike and Al. I am happy to share I will be supporting the new Western VP Jim Boyce as I will be taking on a role as a Regional Director. I have no doubt that all of you in the Western Region will continue to thrive to make the Western area one of the premier parts of the state to snowmobile.

See you on the trails next season!

Roland
